SUBJECT: General Mills/Henkel Interim Close Out Report

FROM: William Muno, Acting Division Director
Waste Management Division

TO: Valdas V. Adamkus
Regional Administrator

Enclosed for your review and signature is the Interim Close Out Report for the State of Minnesota enforcement lead site, General Mills/Henkel. By executing this Interim Close Out Report, this site is placed into the long-term response action category. To ensure that the remedy continues to protect human health and the environment, a five-year will be performed in fiscal year 1993.

The Minnesota Pollution Control Agency has reviewed the General Mills/Henkel Interim Close Out Report and concurs with its content. If you have any questions, feel free to contact me.
